LEAD – IN COMPETITION

- 5.2 Teams shall be graded into sections of a maximum of EIGHT teams based on the total of the four regular playing members' doubles grading points off the Configure Ranking Grading List (as at the notified entry closing date).
These sections shall be called Monday Open 1, Tuesday Open 1, Monday Open 2, Tuesday Open 2 etc.
- 5.3 Teams in each section will play a round robin. The team with the highest number of points in each section will be the winner of that section. In the event of a tie, there shall be a count back of sets and games for and against for the contest involving only the tied teams. In the event of two teams still being equal, a tie shall be declared.
- 5.3.1 In all grades where a default has a bearing on the winning of a grade; at the end of the season where a team has gained the maximum points from a default then the team/s that have been jeopardized by this default will also be credited with the maximum points from the contest when they played the defaulting team. A team that defaults from a contest on the date scheduled by the committee shall be fined \$50.
- 5.4 Team entries shall specify a preference of day i.e. Monday or Tuesday and these are deemed to be two separate competitions. (Players may both days if they wish).
- 5.5 IN ALL GRADES the top graded player (by grading band i.e. D3, D4 , D5) from the submitted team list must play in the number one position on any given day and the remaining three players can play in any order on any given day.
Team playing lists must be completed prior to the start of play and with the number one named player playing in the number one position for that day. The pairings and order of play shall be 1&2, 3&4, 1&3, 2&4.

6 Substitutes

- 6.1 If a team or a player plays in both a Monday and Tuesday competition these are two separate competitions and a player or team due to its team composition may for example be in Monday Open 1 and Tuesday Open 3.
- 6.2 Any player may at any time play in a higher grade provided that if that player plays more than twice in a higher grade they must automatically assume a position on the higher team list.
- 6.2.1 The four nominated regular team members named that place a team in its appropriate grade (i.e. total team points of these 4 regular players) may only reserve for a team in a higher grade. If they play in a team in a higher grade more than twice they must automatically assume a position in that team.
- 6.2.2 A player who is not a nominated team member may reserve in a team/teams as long as their doubles grading band (i.e. D2, D3 etc) is not higher than the top graded player on that teams submitted team list. They may reserve for more than one team provided the above applies but if they reserve for the same team more than twice they may not then play for a team in a lower section than that team.
HOWEVER to cut down the amount of administrative paper work involved, all players registered to play on a Monday are eligible to play Tuesday and visa versa.
- 6.2.3 Any club may add a player to their team lists and reserves list/s by contacting Nyree Smith (09) 521 7633 prior to that player playing.
